5 2-50-103. Prerequisite to arbitration – Notice – Filings.

6 (a)(1) When a grower believes that he or she has been damaged by the
7 failure of a contractor to perform under a production contract, as a
8 prerequisite to the grower's right to bring a claim for arbitration against
9 the contractor under this chapter, the grower shall file a complaint with the
10 grievance committee established by the contractor.

11 (2) If the contractor has not established a grievance committee
12 to handle growers' claims related to production contracts or if the grower
13 wants to appeal the finding of the grievance committee established by the
14 contractor, a grower may proceed with an arbitration claim under this
15 chapter.

16 (3)(A) However, a grower is not required to bring a claim for
17 arbitration under this chapter before seeking judicial relief on a claim
18 related to a production contract.

19 (B) The rights provided under this chapter are
20 supplemental to and not in lieu of any other rights a grower has in seeking
21 relief on claim related to a production contract.

22 (b)(1) Within a reasonable time after the alleged violation becomes
23 apparent or within thirty (30) days of a grievance committee's final
24 determination on a contract dispute between a grower and contractor, the
25 grower shall file a written notice of intent to seek arbitration with the
26 Arkansas Livestock and Poultry Commission.

27 (2) A meeting shall be scheduled by the Executive Director of
28 the Arkansas Livestock and Poultry Commission between the grower and

30 resolved, for officially filing the complaint.

31 (3) The grower shall:

32 (A) Make a sworn complaint against the contractor alleging
33 the damages sustained or to be sustained;

6 director to offset expenses of the investigation.

7 (e) Within ten (10) days after receipt of a copy of the complaint, the
8 contractor shall:

9 (1) File with the executive director the contractor's answer to
10 the complaint; and
