*Capital letters indicate new material to be added to existing statute.
Dashes through the words indicate deletions from existing statute.*

- ! Sets standards for the land, including minimum size and wildlife carrying capacity;
- ! Allocates the number of licenses based upon the size of the land, from one license for the first 160 acres to a maximum of 19 licenses, in 600-acre increments;
- ! Sets the percentage of hunting licenses in a restricted game management unit that are allocated to the program between 10% and 25%;
- ! Releases unused licenses to the general public after making them available to other landowners with limits;
- ! Authorizes an owner to transfer vouchers for the licenses to hunters but forbids brokering and restrictions on the vouchers that don't concern access; and
- ! Authorizes the division to disqualify a person from the program if the person does not comply with the law of the program.

Land in the existing programs is grandfathered until July 1, 2016. The bill also requires the commission to promulgate rules implementing the new program by July 1, 2014.

2 **SECTION 1.** In Colorado Revised Statutes, **amend** 33-4-103 as
 3 follows:

4 **33-4-103. Landowner preference for hunting license -**
 5 **legislative declaration - rules.** ~~(1) Any landowner in Colorado is~~
 6 ~~entitled to landowner preference for licenses permitting the hunting of~~
 7 ~~deer, elk, or pronghorn when the following qualifications are met:~~

8 ~~(a) The applicant for a preference is an owner as shown by a~~
 9 ~~recorded deed of a parcel of agricultural land of one hundred sixty acres~~
 10 ~~or more. In the event that the owner is a legal entity or such ownership is~~
 11 ~~in two or more individual names, only two individuals, as designated by~~
 12 ~~such legal entity or multiple ownership, shall be eligible for the~~
 13 ~~preference.~~

14 ~~(b) The land was inhabited by the species for which a license~~

1 preference is requested during the greater portion of the year previous to
2 the application.

3 ~~(c) Application for a license preference, including authority to~~
4 ~~transfer the license preference if applicable, is made concurrent with the~~
5 ~~submittal of an application for the desired license on forms provided by~~
6 ~~the division.~~

7 ~~(d) The applicant for a license preference submits no more than~~
8 ~~one such application per species per calendar year.~~

9 ~~(e) All licenses permitting firearm hunting of the species for~~
10 ~~which a license preference is requested are limited in number by~~
11 ~~commission regulation in the area where the land is located.~~

12 ~~(2) Landowner license preference may be transferred to any~~
13 ~~person who is eligible for a big game license. Up to fifteen percent of the~~
14 ~~number of licenses established for each management area where firearm~~
15 ~~hunting licenses are totally limited shall be made available for purchase~~
16 ~~by landowners who meet the qualifications of this section. Licenses not~~
17 ~~applied for by landowners within the time specified therefor shall be~~
18 ~~made available to the general public. Landowners receiving licenses~~
19 ~~pursuant to this section shall allow hunting on their land to properly~~
20 ~~licensed hunters, subject to the limitation of a reasonable number of such~~
21 ~~hunters.~~

22 ~~(3)~~ (a) (1) **Legislative declaration.** (a) The general assembly
23 hereby finds, determines, and declares that the wildlife resources of the
24 state are in danger of decline from increasing population pressures and

26 provide habitat for THAT INCREASES wildlife POPULATIONS FOR THE
27 BENEFIT OF ALL HUNTERS, discourage the harboring of game animals on

1 private lands during public hunting seasons, and relieve hunting pressure
2 on public lands by increasing game hunting on private lands, the general
3 assembly finds that it is necessary to provide an incentive-based system
4 to landowners to provide habitat for wildlife through a hunting license
5 allocation program that allows hunters access to the state's wildlife under
6 the cooperative control of the private landowner.

7 (b) THE LANDOWNER PREFERENCE PROGRAM IS DESIGNED TO
8 ENCOURAGE HUNTER ACCESS TO PRIVATE LAND BY ENABLING
9 LANDOWNERS TO APPLY FOR LICENSES USING APPLICATIONS BASED UPON
10 LAND OWNERSHIP AND WILDLIFE BENEFIT.

18 preference program, ~~for wildlife habitat improvement, hereinafter referred~~
19 ~~to as the "wildlife conservation application program" or ALSO REFERRED~~
20 TO IN THIS SECTION AS THE "program". ~~This program is designed to~~
