636
637 (2) Chapter 171, Florida Statutes, applies to all
638 annexations by a municipality within the district's boundaries.

639 (3) Additional lands shall be included in the district
640 only upon amendment of subsection (1). Subsection (1) may be
641 amended only by special act, and such amendment shall only
642 become effective upon approval of the inclusion of such
643 additional lands in the district by a majority of the qualified
644 electors residing in the area proposed to be included voting in
645 a special election called for such purpose.

646 Section 4. Powers of the district.-

647 (1) The district is authorized to establish, equip,
648 operate, and maintain a fire department and rescue squad within
649 the district and may buy, lease, sell, exchange, or otherwise
650 acquire and dispose of firefighting and rescue equipment and
651 other property, real, personal, or mixed, that it may from time
652 to time deem necessary to prevent and extinguish fires or
653 provide rescue services. This shall include, but is not limited
654 to, the authority to hire and fire necessary firefighters and
655 other personnel; to provide water, water supply, water stations,
656 and other necessary buildings; to accept gifts or donations of
657 equipment or money for the use of the district; to provide fire
658 hydrants or other types of water supply, buildings for housing
659 fire equipment and personnel, training facilities for fire and
660 rescue, and other buildings deemed necessary by the district
661 board to provide adequate protection from unwanted fire and to
662 carry out rescue operations; and to do all things necessary to
663 provide adequate water supply, fire prevention, and proper fire
664 protection for the district. Recognizing that the dramatically
665 increasing housing costs in Collier County may have a
666 detrimental impact on the ability to hire and retain personnel
667 needed for the provision of fire protection services to district
668 residents, the district is authorized also to provide housing or
669 housing assistance for its employed personnel, with use of such
670 funds being deemed to be in the public interest. In addition,
671 the district is authorized to extend its services beyond the
672 district boundaries, provided it is in cooperation with another

673 governmental entity, whether federal, state, county, municipal,
674 or special district.

675 (2) The district is authorized to provide a paid staff to
676 carry out its responsibilities. Such staff shall serve at the
677 pleasure of the district board.

678 (3) The district may establish and maintain emergency
679 medical and rescue response services consistent with s.
680 191.008(1), Florida Statutes, chapter 401, Florida Statutes, and
681 any certificate of public convenience and necessity or its
682 equivalent issued thereunder.

683 (4) In addition to any other power to borrow money as may
684 be provided by this charter or by general law, the district may
685 borrow sufficient funds to provide for 3 months' operating
686 expenses, with such loan to be repaid from anticipated revenues.

687 (5) The district is authorized to inspect and investigate
688 all property for fire hazards. The district board, by resolution
689 duly adopted, may assess fees for fire inspection and
690 maintenance and replacement of hydrants in an amount reasonably
691 related to the cost thereof and may adopt provisions creating a
692 lien or providing for civil enforcement of such assessments.

693 (6) The district is authorized to adopt rules and
694 regulations for the prevention of fire and for fire control in
695 the district, which shall have the same force and effect as law
696 10 days after copies thereof executed by the chair and secretary
697 of the board have been posted in at least three places.

698 (7) The district shall have all powers and duties granted
 699 by this charter and chapters 189 and 191, Florida Statutes.

700 Section 5. Governing board.—

701 (1) The business and affairs of the district shall be
 702 conducted and administered by a board of fire commissioners
 703 elected pursuant to chapter 191, Florida Statutes, by the
 704 electors of the district in a nonpartisan election held at the
 705 time and in the manner prescribed for holding general elections
 706 in s. 189.04, Florida Statutes. Except as expressly provided in
 707 this charter, each member of the board shall be elected for a
 708 term of 4 years and shall serve until his or her successor
 709 assumes office.

710 (2) (a) The office of each board member is designated as a
 711 seat on the board, distinguished from each of the other seats by
 712 a numeral. Each candidate must designate, at the time he or she
 713 qualifies, the seat on the board for which he or she is
 714 qualifying. The name of each candidate who qualifies shall be
 715 included on the ballot in a way that clearly indicates the seat
 716 for which he or she is a candidate. The candidate for each seat
 717 who receives the most votes shall be elected to the board. The
 718 cost of such elections shall be paid from funds of the district.

719 (b) As of January 1, 2015, the effective date of the
 720 merger, the district is governed by an eight-member board of
 721 fire commissioners, which consists of the boards of fire
 722 commissioners of the Big Corkscrew Island Fire Control and
 723 Rescue District and the North Naples Fire Control and Rescue

724 District. The eight commissioners shall serve until the
725 governing body members elected at the next general election take
726 office.

727 (c) In the 2016 general election, the board of fire
728 commissioners shall be reduced to five members. Seat 1 shall be
729 elected from the Big Corkscrew Island Service Delivery Area,
730 with each candidate for such seat being required to be a
731 qualified elector residing in the Big Corkscrew Island Service
732 Delivery Area and being elected from only those electors of that
733 service delivery area. Seat 3 shall be elected from the North
734 Naples Service Delivery Area, with each candidate for such seat
735 being required to be a qualified elector residing in the North
736 Naples Service Delivery Area and being elected from only those
737 electors of that service delivery area. Seats 2, 4, and 5 shall
738 be elected as at-large seats for the merged district as a whole.
739 The commissioners holding seats 1, 3, and 5 shall have initial
740 terms that expire in November 2020. Commissioners holding seats
741 2 and 4 shall have initial terms that expire in November 2018.

742 (d) In the 2020 general election, seats 1 and 3 shall be
743 elected as at-large seats for the district as a whole, and the
744 requirements to reside within and be elected from the specified
745 service delivery area as provided for in paragraph (c) are
746 eliminated.

747 (3) In accordance with chapter 191, Florida Statutes, each
748 member of the board must be a qualified elector at the time he
749 or she qualifies and continually throughout his or her term.

750 (4) Each elected member shall assume office 10 days after
751 the member's election. Within 60 days after the newly elected
752 members have taken office, the board shall meet and elect from
753 its membership a chair, vice chair, secretary, and treasurer.
754 The positions of secretary and treasurer may be held by one
755 member.

756 (5) In accordance with s. 191.005, Florida Statutes, each
757 member of the board may be paid, from the funds of the district,
758 a salary or honorarium for his or her services in an amount not
759 to exceed \$500 per month. If applicable, the secretary-treasurer
760 may be paid an additional sum for his or her services so long as
761 the total compensation does not exceed \$500 per month. In
762 addition, members may be reimbursed for travel and per diem
763 expenses as provided in s. 112.061, Florida Statutes.

764 (6) If a vacancy occurs on the board due to the
765 resignation, death, or removal of a board member or the failure
766 of anyone to qualify for a board seat, the remaining members may
767 appoint a qualified person to fill the seat until the next
768 general election, at which time an election shall be held to
769 fill the vacancy for the remaining term, if any. The board shall
770 remove any member who has three consecutive, unexcused absences
771 from regularly scheduled meetings. The board shall adopt
772 policies by resolution defining excused and unexcused absences.

773 (7) The procedures for conducting district elections or
774 referenda and for qualification of electors shall be pursuant to
775 chapters 189 and 191, Florida Statutes.

776 (8) The board shall have those administrative duties set
 777 forth in this charter and chapters 189 and 191, Florida
 778 Statutes.

 780 members. In order to take official action, an affirmative vote
 781 of a majority of those voting members present shall be required.

 784 duties set forth in chapters 189 and 191, Florida Statutes,
 785 regarding ad valorem taxation, bond issuance, other revenue
 786 raising capabilities, budget preparation and approval, liens and
 787 foreclosure of liens, use of tax deeds and tax certificates as
 788 appropriate for non-ad valorem assessments, and contractual
 789 agreements. The district may be financed by any method
 790 established in this charter, chapter 189 or chapter 191, Florida
 791 Statutes, or any other applicable general or special law.

792 (2) (a) The district shall levy and collect ad valorem
 793 taxes in accordance with s. 191.009, Florida Statutes, and
 794 chapter 200, Florida Statutes. The taxes levied and assessed by
 795 the district shall be a lien upon the land so assessed along
 796 with the county taxes assessed against such land until such
 797 assessments and taxes have been paid, and if the taxes levied by
 798 the district become delinquent, such taxes shall be considered a
 799 part of the county tax subject to the same penalties, charges,
 800 fees, and remedies for enforcement and collection and shall be

801 enforced and collected as provided by general law for the
802 collection of such taxes.

803 (b) Each service delivery area shall be a separate taxing
804 unit. The district is authorized to levy a millage rate up to 1
805 mill in the North Naples Service Delivery Area and up to 3.75
806 mills in the Big Corkscrew Island Service Delivery Area, subject
807 to section 7.

809 adopt a district budget pursuant to the applicable requirements
810 of chapters 189 and 191, Florida Statutes. The fiscal year shall
811 be from October 1 through September 30. The budget shall state
812 the purpose for which the money is required and the amount
813 necessary to be raised by taxation within the district. Such
814 budget and proposed millage rate shall be noticed, heard, and
815 adopted in accordance with chapters 189, 192, and 200, Florida
816 Statutes.

817 (b) The budget of the district shall be comprised of
818 separate budgets of the Big Corkscrew Island Service Delivery
819 Area and the North Naples Service Delivery Area until such time
820 as there is one millage rate levied districtwide and the taxing
821 subunits have been eliminated. Until such time, a cost
822 allocation methodology shall be used and there shall be separate
823 budgets and cash reserves for each service delivery area. The
824 budgets will be administered and reported, and the financial
825 reporting will continue individually as required by s. 189.074,
826 Florida Statutes, as separate subunits until there is one

827 millage rate levied districtwide and the taxing subunits have
828 been eliminated.

829 (4) The district is authorized to continue or conclude
830 procedures under chapter 200, Florida Statutes, on behalf of the
831 Big Corkscrew Island Service Delivery Area and the North Naples
832 Service Delivery Area. The district shall make the calculations
833 required by chapter 200, Florida Statutes, for each service
834 delivery area separately.

835 (5) All warrants for the payment of labor, equipment,
836 materials, and other allowable expenses incurred by the district

842 or chapter 197, Florida Statutes.

843 (7) The district shall have the power to issue general
844 obligation bonds, assessment bonds, bond anticipation notes,
845 notes, or certificates or other evidences of indebtedness
846 ("bonds") pledging the full faith, credit, and taxing power of
847 the district for capital projects consistent with the purposes
848 of the district in accordance with s. 191.012, Florida Statutes,
849 and other applicable general law.

850 (8) (a) The district is authorized to charge and collect
851 impact fees for capital improvements on new construction within

852 the district as prescribed in chapter 191, Florida Statutes, or
853 any other applicable general law.

854 (b) The district shall comply with ss. 163.31801 and
855 191.009(4), Florida Statutes, in its collection and use of
856 impact fees. New facilities and equipment shall be as provided

871 the district, except municipal, county, state, and federal
872 property, for the purpose of acquiring property for the location
873 of fire stations. The location and construction of fire stations
874 shall comply with applicable Collier County ordinances.

875 Section 9. Miscellaneous.—

876 (1) All contracts, obligations, rules, resolutions, or
877 policies of any nature existing on effective date of this

878 charter shall remain in full force and effect, and this act
879 shall in no way affect the validity of such contracts,
