21 SECTION 3. IC 6-1.1-12-17.8, AS AMENDED BY THE
 22 TECHNICAL CORRECTIONS BILL OF THE 2015 GENERAL
 23 ASSEMBLY, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 24 JULY 1, 2015]: Sec. 17.8. (a) An individual who receives a deduction
 25 provided under section 1, 9, 11, 13, 14, 16, 17.4 (**before its**
 26 **expiration**), or 37 of this chapter in a particular year and who remains
 27 eligible for the deduction in the following year is not required to file a
 28 statement to apply for the deduction in the following year. However, for
 29 purposes of a deduction under section 37 of this chapter, the county
 30 auditor may, in the county auditor's discretion, terminate the deduction
 31 for assessment dates after January 15, 2012, if the individual does not
 32 comply with the requirement in IC 6-1.1-22-8.1(b)(9) (**expired**
 33 **January 1, 2015**), as determined by the county auditor, before January
 34 1, 2013. Before the county auditor terminates the deduction because
 35 the taxpayer claiming the deduction did not comply with the
 36 requirement in IC 6-1.1-22-8.1(b)(9) (**expired January 1, 2015**) before
 37 January 1, 2013, the county auditor shall mail notice of the proposed
 38 termination of the deduction to:

- 39 (1) the last known address of each person liable for any property
 40 taxes or special assessment, as shown on the tax duplicate or
 41 special assessment records; or
- 42 (2) the last known address of the most recent owner shown in the

1 transfer book.

2 (b) An individual who receives a deduction provided under section
 3 1, 9, 11, 13, 14, 16, or 17.4 (**before its expiration**) of this chapter in a
 4 particular year and who becomes ineligible for the deduction in the
 5 following year shall notify the auditor of the county in which the real
 6 property, mobile home, or manufactured home for which the individual
 7 claims the deduction is located of the individual's ineligibility in the
 8 year in which the individual becomes ineligible. An individual who
 9 becomes ineligible for a deduction under section 37 of this chapter
 10 shall notify the county auditor of the county in which the property is
 11 located in conformity with section 37 of this chapter.

12 (c) The auditor of each county shall, in a particular year, apply a
 13 deduction provided under section 1, 9, 11, 13, 14, 16, 17.4 (**before its**
 14 **expiration**), or 37 of this chapter to each individual who received the
 15 deduction in the preceding year unless the auditor determines that the
 16 individual is no longer eligible for the deduction.

17 (d) An individual who receives a deduction provided under section
 18 1, 9, 11, 13, 14, 16, 17.4 (**before its expiration**), or 37 of this chapter
 19 for property that is jointly held with another owner in a particular year
 20 and remains eligible for the deduction in the following year is not
 21 required to file a statement to reapply for the deduction following the
 22 removal of the joint owner if:

- 23 (1) the individual is the sole owner of the property following the
 24 death of the individual's spouse;
 25 (2) the individual is the sole owner of the property following the
 26 death of a joint owner who was not the individual's spouse; or
 27 (3) the individual is awarded sole ownership of the property in a
 28 divorce decree.

29 However, for purposes of a deduction under section 37 of this chapter,
 30 if the removal of the joint owner occurs before the date that a notice
 31 described in IC 6-1.1-22-8.1(b)(9) (**expired January 1, 2015**) is sent,
 32 the county auditor may, in the county auditor's discretion, terminate the
 33 deduction for assessment dates after January 15, 2012, if the individual
 34 does not comply with the requirement in IC 6-1.1-22-8.1(b)(9)
 35 (**expired January 1, 2015**), as determined by the county auditor,
 36 before January 1, 2013. Before the county auditor terminates the
 37 deduction because the taxpayer claiming the deduction did not comply
 38 with the requirement in IC 6-1.1-22-8.1(b)(9) (**expired January 1,**
 39 **2015**) before January 1, 2013, the county auditor shall mail notice of
 40 the proposed termination of the deduction to the last known address of
 41 each person liable for any property taxes or special assessment, as
 42 shown on the tax duplicate or special assessment records or the last

1 known address of the most recent owner shown in the transfer book.

2 (e) A trust entitled to a deduction under section 9, 11, 13, 14, 16,

4 owned by the trust and occupied by an individual in accordance with
5 section 17.9 of this chapter is not required to file a statement to apply
6 for the deduction, if:

7 (1) the individual who occupies the real property receives a
8 deduction provided under section 9, 11, 13, 14, 16, 17.4 **(before**
9 **its expiration)**, or 37 of this chapter in a particular year; and

10 (2) the trust remains eligible for the deduction in the following
11 year.

12 However, for purposes of a deduction under section 37 of this chapter,
13 the individuals that qualify the trust for a deduction must comply with
14 the requirement in IC 6-1.1-22-8.1(b)(9) **(expired January 1, 2015)**
15 before January 1, 2013.

16 (f) A cooperative housing corporation (as defined in 26 U.S.C. 216)
17 that is entitled to a deduction under section 37 of this chapter in the
18 immediately preceding calendar year for a homestead (as defined in
19 section 37 of this chapter) is not required to file a statement to apply for
20 the deduction for the current calendar year if the cooperative housing
21 corporation remains eligible for the deduction for the current calendar
22 year. However, the county auditor may, in the county auditor's
23 discretion, terminate the deduction for assessment dates after January
24 15, 2012, if the individual does not comply with the requirement in
25 IC 6-1.1-22-8.1(b)(9) **(expired January 1, 2015)**, as determined by the
26 county auditor, before January 1, 2013. Before the county auditor
27 terminates a deduction because the taxpayer claiming the deduction did
28 not comply with the requirement in IC 6-1.1-22-8.1(b)(9) **(expired**
29 **January 1, 2015)** before January 1, 2013, the county auditor shall mail
30 notice of the proposed termination of the deduction to:

31 (1) the last known address of each person liable for any property
32 taxes or special assessment, as shown on the tax duplicate or
33 special assessment records; or

34 (2) the last known address of the most recent owner shown in the
35 transfer book.

36 (g) An individual who:

37 (1) was eligible for a homestead credit under IC 6-1.1-20.9
38 (repealed) for property taxes imposed for the March 1, 2007, or
39 January 15, 2008, assessment date; or

40 (2) would have been eligible for a homestead credit under
41 IC 6-1.1-20.9 (repealed) for property taxes imposed for the March
42 1, 2008, or January 15, 2009, assessment date if IC 6-1.1-20.9 had

1 not been repealed;
 2 is not required to file a statement to apply for a deduction under section
 3 37 of this chapter if the individual remains eligible for the deduction in
 4 the current year. An individual who filed for a homestead credit under
 5 IC 6-1.1-20.9 (repealed) for an assessment date after March 1, 2007 (if
 6 the property is real property), or after January 1, 2008 (if the property
 7 is personal property), shall be treated as an individual who has filed for
 8 a deduction under section 37 of this chapter. However, the county
 9 auditor may, in the county auditor's discretion, terminate the deduction
 10 for assessment dates after January 15, 2012, if the individual does not
 11 comply with the requirement in IC 6-1.1-22-8.1(b)(9) (**expired**
 12 **January 1, 2015**), as determined by the county auditor, before January
 13 1, 2013. Before the county auditor terminates the deduction because
 14 the taxpayer claiming the deduction did not comply with the
 15 requirement in IC 6-1.1-22-8.1(b)(9) (**expired January 1, 2015**) before
 16 January 1, 2013, the county auditor shall mail notice of the proposed
 17 termination of the deduction to the last known address of each person
 18 liable for any property taxes or special assessment, as shown on the tax
 19 duplicate or special assessment records, or to the last known address of
 20 the most recent owner shown in the transfer book.

21 (h) If a county auditor terminates a deduction because the taxpayer
 22 claiming the deduction did not comply with the requirement in
 23 IC 6-1.1-22-8.1(b)(9) (**expired January 1, 2015**) before January 1,
 24 2013, the county auditor shall reinstate the deduction if the taxpayer
 25 provides proof that the taxpayer is eligible for the deduction and is not
 26 claiming the deduction for any other property.

27 (i) A taxpayer described in section 37(k) of this chapter is not
 28 required to file a statement to apply for the deduction provided by
 29 section 37 of this chapter for a calendar year beginning after December
 30 31, 2008, if the property owned by the taxpayer remains eligible for the
 31 deduction for that calendar year. However, the county auditor may
 32 terminate the deduction for assessment dates after January 15, 2012, if
 33 the individual residing on the property owned by the taxpayer does not
 34 comply with the requirement in IC 6-1.1-22-8.1(b)(9) (**expired**
 35 **January 1, 2015**), as determined by the county auditor, before January
 36 1, 2013. Before the county auditor terminates a deduction because the
 37 individual residing on the property did not comply with the
 38 requirement in IC 6-1.1-22-8.1(b)(9) (**expired January 1, 2015**) before
 39 January 1, 2013, the county auditor shall mail notice of the proposed
 40 termination of the deduction to:

41 (1) the last known address of each person liable for any property
 42 taxes or special assessment, as shown on the tax duplicate or

1 special assessment records; or
 2 (2) the last known address of the most recent owner shown in the
 3 transfer book.

15 **that is apportionable to the state under the Constitution of the**
16 **United States.**

17 SECTION 13. IC 6-3-2-2, AS AMENDED BY P.L.233-2013,
18 SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
19 JANUARY 1, 2016]: Sec. 2. (a) With regard to corporations and
20 nonresident persons, "adjusted gross income derived from sources
21 within Indiana", for the purposes of this article, shall mean and include:

22 (1) income from real or tangible personal property located in this
23 state;

24 (2) income from doing business in this state;

25 (3) income from a trade or profession conducted in this state;

26 (4) compensation for labor or services rendered within this state;
27 and

28 (5) income from stocks, bonds, notes, bank deposits, patents,
29 copyrights, secret processes and formulas, good will, trademarks,
30 trade brands, franchises, and other intangible personal property to
31 the extent that the income is apportioned to Indiana under this
32 section or if the income is allocated to Indiana or considered to be
33 derived from sources within Indiana under this section.

34 Income from a pass through entity shall be characterized in a manner
35 consistent with the income's characterization for federal income tax
36 purposes and shall be considered Indiana source income as if the
37 person, corporation, or pass through entity that received the income had
38 directly engaged in the income producing activity. Income that is
39 derived from one (1) pass through entity and is considered to pass
40 through to another pass through entity does not change these
41 characteristics or attribution provisions. In the case of nonbusiness
42 income described in subsection (g), only so much of such income as is

1 allocated to this state under the provisions of subsections (h) through
 2 (k) shall be deemed to be derived from sources within Indiana. In the
 3 case of business income, only so much of such income as is
 4 apportioned to this state under the provision of subsection (b) shall be
 5 deemed to be derived from sources within the state of Indiana. In the
 6 case of compensation of a team member (as defined in section 2.7 of
 7 this chapter), only the portion of income determined to be Indiana
 8 income under section 2.7 of this chapter is considered derived from
 9 sources within Indiana. In the case of a corporation that is a life
 10 insurance company (as defined in Section 816(a) of the Internal
 11 Revenue Code) or an insurance company that is subject to tax under
 12 Section 831 of the Internal Revenue Code, only so much of the income
 13 as is apportioned to Indiana under subsection (r) is considered derived
 14 from sources within Indiana.

15 (b) Except as provided in subsection (l), if business income of a
 16 corporation or a nonresident person is derived from sources within the
 17 state of Indiana and from sources without the state of Indiana, the
 18 business income derived from sources within this state shall be
 19 determined by multiplying the business income derived from sources
 20 both within and without the state of Indiana by the following:

21 (1) For all taxable years that begin after December 31, 2006, and
 22 before January 1, 2008, a fraction. The:

23 (A) numerator of the fraction is the sum of the property factor
 24 plus the payroll factor plus the product of the sales factor
 25 multiplied by three (3); and

26 (B) denominator of the fraction is five (5).

27 (2) For all taxable years that begin after December 31, 2007, and
 28 before January 1, 2009, a fraction. The:

29 (A) numerator of the fraction is the property factor plus the
 30 payroll factor plus the product of the sales factor multiplied by
 31 four and sixty-seven hundredths (4.67); and

32 (B) denominator of the fraction is six and sixty-seven
 33 hundredths (6.67).

34 (3) For all taxable years beginning after December 31, 2008, and
 35 before January 1, 2010, a fraction. The:

36 (A) numerator of the fraction is the property factor plus the
 37 payroll factor plus the product of the sales factor multiplied by
 38 eight (8); and

39 (B) denominator of the fraction is ten (10).

40 (4) For all taxable years beginning after December 31, 2009, and
 41 before January 1, 2011, a fraction. The:

42 (A) numerator of the fraction is the property factor plus the

- 1 payroll factor plus the product of the sales factor multiplied by
 2 eighteen (18); and
 3 (B) denominator of the fraction is twenty (20).
- 4 (5) For all taxable years beginning after December 31, 2010, the
 5 sales factor.
- 6 (c) The property factor is a fraction, the numerator of which is the
 7 average value of the taxpayer's real and tangible personal property
 8 owned or rented and used in this state during the taxable year and the
 9 denominator of which is the average value of all the taxpayer's real and
 10 tangible personal property owned or rented and used during the taxable
 11 year. However, with respect to a foreign corporation, the denominator
 12 does not include the average value of real or tangible personal property
 13 owned or rented and used in a place that is outside the United States.
 14 Property owned by the taxpayer is valued at its original cost. Property
 15 rented by the taxpayer is valued at eight (8) times the net annual rental
 16 rate. Net annual rental rate is the annual rental rate paid by the taxpayer
 17 less any annual rental rate received by the taxpayer from subrentals.
 18 The average of property shall be determined by averaging the values at
 19 the beginning and ending of the taxable year, but the department may
 20 require the averaging of monthly values during the taxable year if
 21 reasonably required to reflect properly the average value of the
 22 taxpayer's property.
- 23 (d) The payroll factor is a fraction, the numerator of which is the
 24 total amount paid in this state during the taxable year by the taxpayer
 25 for compensation, and the denominator of which is the total
 26 compensation paid everywhere during the taxable year. However, with
 27 respect to a foreign corporation, the denominator does not include
 28 compensation paid in a place that is outside the United States.
 29 Compensation is paid in this state if:
- 30 (1) the individual's service is performed entirely within the state;
 31 (2) the individual's service is performed both within and without
 32 this state, but the service performed without this state is incidental
 33 to the individual's service within this state; or
 34 (3) some of the service is performed in this state and:
 35 (A) the base of operations or, if there is no base of operations,
 36 the place from which the service is directed or controlled is in
 37 this state; or
 38 (B) the base of operations or the place from which the service
 39 is directed or controlled is not in any state in which some part
 40 of the service is performed, but the individual is a resident of
 41 this state.
- 42 (e) The sales factor is a fraction, the numerator of which is the total

1 sales of the taxpayer in this state during the taxable year, and the
 2 denominator of which is the total sales of the taxpayer everywhere
 3 during the taxable year. Sales include receipts from intangible property
 4 and receipts from the sale or exchange of intangible property. However,
 5 with respect to a foreign corporation, the denominator does not include
 6 sales made in a place that is outside the United States. Receipts from
 7 intangible personal property are derived from sources within Indiana
 8 if the receipts from the intangible personal property are attributable to
 9 Indiana under section 2.2 of this chapter. Regardless of the f.o.b. point
 10 or other conditions of the sale, sales of tangible personal property are
 11 in this state if:

- 12 (1) the property is delivered or shipped to a purchaser that is
 13 within Indiana, other than the United States government; or
 14 (2) the property is shipped from an office, a store, a warehouse, a
 15 factory, or other place of storage in this state and
 16 ~~(A) the purchaser is the United States government. or~~
 17 ~~(B) the taxpayer is not taxable in the state of the purchaser.~~

18 Gross receipts derived from commercial printing as described in
 19 IC 6-2.5-1-10 **and from the sale of computer software** shall be
 20 treated as sales of tangible personal property for purposes of this
 21 chapter.

22 (f) Sales, other than receipts from intangible property covered by
 23 subsection (e) and sales of tangible personal property, are in this state
 24 if:

- 25 (1) the income-producing activity is performed in this state; or
 26 (2) the income-producing activity is performed both within and
 27 without this state and a greater proportion of the
 28 income-producing activity is performed in this state than in any
 29 other state, based on costs of performance.

30 (g) Rents and royalties from real or tangible personal property,
 31 capital gains, interest, dividends, or patent or copyright royalties, to the
 32 extent that they constitute nonbusiness income, shall be allocated as
 33 provided in subsections (h) through (k).

34 (h)(1) Net rents and royalties from real property located in this state
 35 are allocable to this state.

36 (2) Net rents and royalties from tangible personal property are
 37 allocated to this state:

- 38 (i) if and to the extent that the property is utilized in this state; or
 39 (ii) in their entirety if the taxpayer's commercial domicile is in this
 40 state and the taxpayer is not organized under the laws of or
 41 taxable in the state in which the property is utilized.

42 (3) The extent of utilization of tangible personal property in a state

1 is determined by multiplying the rents and royalties by a fraction, the
 2 numerator of which is the number of days of physical location of the
 3 property in the state during the rental or royalty period in the taxable
 4 year, and the denominator of which is the number of days of physical
 5 location of the property everywhere during all rental or royalty periods
 6 in the taxable year. If the physical location of the property during the
 7 rental or royalty period is unknown or unascertainable by the taxpayer,
 8 tangible personal property is utilized in the state in which the property
 9 was located at the time the rental or royalty payer obtained possession.

10 (i)(1) Capital gains and losses from sales of real property located in
 11 this state are allocable to this state.

12 (2) Capital gains and losses from sales of tangible personal property
 13 are allocable to this state if:

- 14 (i) the property had a situs in this state at the time of the sale; or
- 15 (ii) the taxpayer's commercial domicile is in this state and the
 16 taxpayer is not taxable in the state in which the property had a
 17 situs.

18 (3) Capital gains and losses from sales of intangible personal
 19 property are allocable to this state if the taxpayer's commercial
 20 domicile is in this state.

21 (j) Interest and dividends are allocable to this state if the taxpayer's
 22 commercial domicile is in this state.

23 (k)(1) Patent and copyright royalties are allocable to this state:

- 24 (i) if and to the extent that the patent or copyright is utilized by
 25 the taxpayer in this state; or
- 26 (ii) if and to the extent that the patent or copyright is utilized by
 27 the taxpayer in a state in which the taxpayer is not taxable and the
 28 taxpayer's commercial domicile is in this state.

29 (2) A patent is utilized in a state to the extent that it is employed
 30 in production, fabrication, manufacturing, or other processing in
 31 the state or to the extent that a patented product is produced in the
 32 state. If the basis of receipts from patent royalties does not permit
 33 allocation to states or if the accounting procedures do not reflect

 3 may require, in respect to all or any part of the taxpayer's business
 4 activity, if reasonable:

5 (1) separate accounting;

21 (n) For purposes of allocation and apportionment of income under
 22 this article, a taxpayer is taxable in another state if:

33 (1) a foreign corporation; or

34 (2) a corporation that is classified as a foreign operating
 35 corporation for the taxable year by section 2.4 of this chapter.

 42 department by subsections (l) and (m).

1 (q) Notwithstanding subsections (o) and (p), one (1) or more
 2 taxpayers may petition the department under subsection (l) for
 3 permission to file a combined income tax return for a taxable year. The

 38 Indiana.

39 (B) The denominator of the fraction is the total number of

41 SECTION 47. IC 6-8.1-3-17, AS AMENDED BY P.L.236-2005,
 42 SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE

1 JULY 1, 2015]: Sec. 17. (a) Before an original tax appeal is filed with
 2 the tax court under IC 33-26, the commissioner may settle any tax
 3 liability dispute if a substantial doubt exists as to:

- 4 (1) the constitutionality of the tax under the Constitution of the
 5 State of Indiana;
 6 (2) the right to impose the tax;
 7 (3) the correct amount of tax due;
 8 (4) the ~~collectibility~~ **collectability** of the tax; or
 9 (5) whether the taxpayer is a resident or nonresident of Indiana.

10 (b) After an original tax appeal is filed with the tax court under
 11 IC 33-26, and notwithstanding IC 4-6-2-11, the commissioner may
 12 settle a tax liability dispute with an amount in contention of twenty-five
 13 thousand dollars (\$25,000) or less. Notwithstanding IC 6-8.1-7-1(a),
 14 the terms of a settlement under this subsection are available for public
 15 inspection.

16 (c) The department shall establish an amnesty program for taxpayers
 17 having an unpaid tax liability for a listed tax that was due and payable
 18 for a tax period ending before ~~July 1, 2004~~ **January 1, 2013**. A
 19 taxpayer is not eligible for the amnesty program:

- 20 (1) for any tax liability resulting from the taxpayer's failure to
 21 comply with IC 6-3-1-3.5(b)(3) with regard to the tax imposed by
 22 IC 4-33-13 **or IC 4-35-8; or**
 23 (2) **if the taxpayer participated in any previous amnesty**
 24 **program under:**
 25 (A) **this section (as in effect on December 31, 2014); or**
 26 (B) **IC 6-2.5-14.**

27 The time in which a voluntary payment of tax liability may be made (or
 28 the taxpayer may enter into a payment program acceptable to the
 29 department for the payment of the unpaid listed taxes in full in the
 30 manner and time established in a written payment program agreement
 31 between the department and the taxpayer) under the amnesty program
 32 is limited to the period determined by the department, not to exceed
 33 eight (8) regular business weeks ending before the earlier of the date
 34 set by the department or ~~July 1, 2006~~ **January 1, 2017**. The amnesty
 35 program must provide that, upon payment by a taxpayer to the
 36 department of all listed taxes due from the taxpayer for a tax period (or
 37 payment of the unpaid listed taxes in full in the manner and time
 38 established in a written payment program agreement between the
 39 department and the taxpayer), entry into an agreement that the taxpayer
 40 is not eligible for any other amnesty program that may be established
 41 and waives any part of interest and penalties on the same type of listed
 42 tax that is being granted amnesty in the current amnesty program, and

1 compliance with all other amnesty conditions adopted under a rule of
 2 the department in effect on the date the voluntary payment is made, the
 3 department:

- 4 (1) shall abate and not seek to collect any interest, penalties,
 5 collection fees, or costs that would otherwise be applicable;
 6 (2) shall release any liens imposed;
 7 (3) shall not seek civil or criminal prosecution against any
 8 individual or entity; and
 9 (4) shall not issue, or, if issued, shall withdraw, an assessment, a
 10 demand notice, or a warrant for payment under **IC 6-8.1-5-1**,
 11 **IC 6-8.1-5-3**, **IC 6-8.1-8-2**, or another law against any individual
 12 or entity;

13 for listed taxes due from the taxpayer for the tax period for which
 14 amnesty has been granted to the taxpayer. Amnesty granted under this
 15 subsection is binding on the state and its agents. However, failure to
 16 pay to the department all listed taxes due for a tax period invalidates
 17 any amnesty granted under this subsection for that tax period. The
 18 department shall conduct an assessment of the impact of the tax
 19 amnesty program on tax collections and an analysis of the costs of
 20 administering the tax amnesty program. As soon as practicable after the
 21 end of the tax amnesty period, the department shall submit a copy of
 22 the assessment and analysis to the legislative council in an electronic
 23 format under IC 5-14-6. The department shall enforce an agreement
 24 with a taxpayer that prohibits the taxpayer from receiving amnesty in
 25 another amnesty program.

26 (d) For purposes of subsection (c), a liability for a listed tax is due
 27 and payable if:

- 28 (1) the department has issued:
 29 (A) an assessment of the listed tax ~~and~~ **under IC 6-8.1-5-1**;
 30 **(B) a demand for payment under IC 6-8.1-5-3**; or
 31 ~~(B)~~ **(C) a demand notice for payment of the listed tax under**
 32 **IC 6-8.1-8-2**;
 33 (2) the taxpayer has filed a return or an amended return in which
 34 the taxpayer has reported a liability for the listed tax; or
 35 (3) the taxpayer has filed a written statement of liability for the
 36 listed tax in a form that is satisfactory to the department.

"SECTION 13. IC 6-3-2-2, AS AMENDED BY P.L.233-2013, SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2016]: Sec. 2. (a) With regard to corporations and nonresident persons, "adjusted gross income derived from sources within Indiana", for the purposes of this article, shall mean and include:

- (1) income from real or tangible personal property located in this state;
 - (2) income from doing business in this state;
 - (3) income from a trade or profession conducted in this state;
 - (4) compensation for labor or services rendered within this state;
- and
- (5) income from stocks, bonds, notes, bank deposits, patents, copyrights, secret processes and formulas, good will, trademarks, trade brands, franchises, and other intangible personal property to the extent that the income is apportioned to Indiana under this section or if the income is allocated to Indiana or considered to be derived from sources within Indiana under this section.

Income from a pass through entity shall be characterized in a manner consistent with the income's characterization for federal income tax purposes and shall be considered Indiana source income as if the person, corporation, or pass through entity that received the income had

ES 441—LS 7062/DI 120

directly engaged in the income producing activity. Income that is derived from one (1) pass through entity and is considered to pass through to another pass through entity does not change these characteristics or attribution provisions. In the case of nonbusiness income described in subsection (g), only so much of such income as is allocated to this state under the provisions of subsections (h) through (k) shall be deemed to be derived from sources within Indiana. In the case of business income, only so much of such income as is apportioned to this state under the provision of subsection (b) shall be deemed to be derived from sources within the state of Indiana. In the case of compensation of a team member (as defined in section 2.7 of this chapter), only the portion of income determined to be Indiana income under section 2.7 of this chapter is considered derived from sources within Indiana. In the case of a corporation that is a life insurance company (as defined in Section 816(a) of the Internal Revenue Code) or an insurance company that is subject to tax under Section 831 of the Internal Revenue Code, only so much of the income as is apportioned to Indiana under subsection (r) is considered derived from sources within Indiana.

(b) Except as provided in subsection (l), if business income of a corporation or a nonresident person is derived from sources within the state of Indiana and from sources without the state of Indiana, the business income derived from sources within this state shall be determined by multiplying the business income derived from sources both within and without the state of Indiana by the following:

(1) For all taxable years that begin after December 31, 2006, and before January 1, 2008, a fraction. The:

(A) numerator of the fraction is the sum of the property factor plus the payroll factor plus the product of the sales factor multiplied by three (3); and

(B) denominator of the fraction is five (5).

(2) For all taxable years that begin after December 31, 2007, and before January 1, 2009, a fraction. The:

(A) numerator of the fraction is the property factor plus the payroll factor plus the product of the sales factor multiplied by four and sixty-seven hundredths (4.67); and

(B) denominator of the fraction is six and sixty-seven hundredths (6.67).

(3) For all taxable years beginning after December 31, 2008, and before January 1, 2010, a fraction. The:

(A) numerator of the fraction is the property factor plus the payroll factor plus the product of the sales factor multiplied by

eight (8); and

(B) denominator of the fraction is ten (10).

(4) For all taxable years beginning after December 31, 2009, and before January 1, 2011, a fraction. The:

(A) numerator of the fraction is the property factor plus the payroll factor plus the product of the sales factor multiplied by eighteen (18); and

(B) denominator of the fraction is twenty (20).

(5) For all taxable years beginning after December 31, 2010, the sales factor.

(c) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the taxable year and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the taxable year. However, with respect to a foreign corporation, the denominator does not include the average value of real or tangible personal property owned or rented and used in a place that is outside the United States. Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at eight (8) times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals. The average of property shall be determined by averaging the values at the beginning and ending of the taxable year, but the department may require the averaging of monthly values during the taxable year if reasonably required to reflect properly the average value of the taxpayer's property.

(d) The payroll factor is a fraction, the numerator of which is the total amount paid in this state during the taxable year by the taxpayer for compensation, and the denominator of which is the total compensation paid everywhere during the taxable year. However, with respect to a foreign corporation, the denominator does not include compensation paid in a place that is outside the United States. Compensation is paid in this state if:

(1) the individual's service is performed entirely within the state;

(2) the individual's service is performed both within and without this state, but the service performed without this state is incidental to the individual's service within this state; or

(3) some of the service is performed in this state and:

(A) the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in this state; or

(B) the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual is a resident of this state.

(e) The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state during the taxable year, and the denominator of which is the total sales of the taxpayer everywhere during the taxable year. Sales include receipts from intangible property and receipts from the sale or exchange of intangible property. However, with respect to a foreign corporation, the denominator does not include sales made in a place that is outside the United States. Receipts from intangible personal property are derived from sources within Indiana if the receipts from the intangible personal property are attributable to Indiana under section 2.2 of this chapter. Regardless of the f.o.b. point or other conditions of the sale, sales of tangible personal property are in this state if:

- (1) the property is delivered or shipped to a purchaser that is within Indiana, other than the United States government; or
- (2) the property is shipped from an office, a store, a warehouse, a factory, or other place of storage in this state and

~~(A) the purchaser is the United States government. or~~

~~(B) the taxpayer is not taxable in the state of the purchaser.~~

Gross receipts derived from commercial printing as described in IC 6-2.5-1-10 **and from the sale of computer software** shall be treated as sales of tangible personal property for purposes of this chapter.

(f) Sales, other than receipts from intangible property covered by subsection (e) and sales of tangible personal property, are in this state if:

- (1) the income-producing activity is performed in this state; or
- (2) the income-producing activity is performed both within and without this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.

(g) Rents and royalties from real or tangible personal property, capital gains, interest, dividends, or patent or copyright royalties, to the extent that they constitute nonbusiness income, shall be allocated as provided in subsections (h) through (k).

(h)(1) Net rents and royalties from real property located in this state are allocable to this state.

(2) Net rents and royalties from tangible personal property are allocated to this state:

- (i) if and to the extent that the property is utilized in this state; or
- (ii) in their entirety if the taxpayer's commercial domicile is in this state and the taxpayer is not organized under the laws of or taxable in the state in which the property is utilized.

(3) The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year, and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the taxpayer, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

(i)(1) Capital gains and losses from sales of real property located in this state are allocable to this state.

(2) Capital gains and losses from sales of tangible personal property are allocable to this state if:

- (i) the property had a situs in this state at the time of the sale; or
- (ii) the taxpayer's commercial domicile is in this state and the taxpayer is not taxable in the state in which the property had a situs.

(3) Capital gains and losses from sales of intangible personal property are allocable to this state if the taxpayer's commercial domicile is in this state.

(j) Interest and dividends are allocable to this state if the taxpayer's commercial domicile is in this state.

(k)(1) Patent and copyright royalties are allocable to this state:

- (i) if and to the extent that the patent or copyright is utilized by the taxpayer in this state; or
- (ii) if and to the extent that the patent or copyright is utilized by the taxpayer in a state in which the taxpayer is not taxable and the taxpayer's commercial domicile is in this state.

(2) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the taxpayer's commercial domicile is located.

(3) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts

from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the taxpayer's commercial domicile is located.

(l) If the allocation and apportionment provisions of this article do not fairly represent the taxpayer's income derived from sources within the state of Indiana, the taxpayer may petition for or the department may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

- (1) separate accounting;
- (2) for a taxable year beginning before January 1, 2011, the exclusion of any one (1) or more of the factors, except the sales factor;
- (3) the inclusion of one (1) or more additional factors which will fairly represent the taxpayer's income derived from sources within the state of Indiana; or
- (4) the employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

(m) In the case of two (2) or more organizations, trades, or businesses owned or controlled directly or indirectly by the same interests, the department shall distribute, apportion, or allocate the income derived from sources within the state of Indiana between and among those organizations, trades, or businesses in order to fairly reflect and report the income derived from sources within the state of Indiana by various taxpayers.

(n) For purposes of allocation and apportionment of income under this article, a taxpayer is taxable in another state if:

- (1) in that state the taxpayer is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax; or
- (2) that state has jurisdiction to subject the taxpayer to a net income tax regardless of whether, in fact, the state does or does not.

(o) Notwithstanding subsections (l) and (m), the department may not, under any circumstances, require that income, deductions, and credits attributable to a taxpayer and another entity be reported in a combined income tax return for any taxable year, if the other entity is:

- (1) a foreign corporation; or
- (2) a corporation that is classified as a foreign operating corporation for the taxable year by section 2.4 of this chapter.

(p) Notwithstanding subsections (l) and (m), the department may not require that income, deductions, and credits attributable to a taxpayer

and another entity not described in subsection (o)(1) or (o)(2) be reported in a combined income tax return for any taxable year, unless the department is unable to fairly reflect the taxpayer's adjusted gross income for the taxable year through use of other powers granted to the department by subsections (l) and (m).

(q) Notwithstanding subsections (o) and (p), one (1) or more taxpayers may petition the department under subsection (l) for permission to file a combined income tax return for a taxable year. The petition to file a combined income tax return must be completed and filed with the department not more than thirty (30) days after the end of the taxpayer's taxable year. A taxpayer filing a combined income tax return must petition the department within thirty (30) days after the end of the taxpayer's taxable year to discontinue filing a combined income tax return.

(r) This subsection applies to a corporation that is a life insurance company (as defined in Section 816(a) of the Internal Revenue Code) or an insurance company that is subject to tax under Section 831 of the Internal Revenue Code. The corporation's adjusted gross income that is derived from sources within Indiana is determined by multiplying the corporation's adjusted gross income by a fraction:

- (1) the numerator of which is the direct premiums and annuity considerations received during the taxable year for insurance upon property or risks in the state; and
- (2) the denominator of which is the direct premiums and annuity considerations received during the taxable year for insurance upon property or risks everywhere.

The term "direct premiums and annuity considerations" means the gross premiums received from direct business as reported in the corporation's annual statement filed with the department of insurance.

(s) This subsection applies to receipts derived from motorsports racing.

- (1) Any purse, prize money, or other amounts earned for placement or participation in a race or portion thereof, including qualification, shall be attributed to Indiana if the race is conducted in Indiana.
- (2) Any amounts received from an individual or entity as a result of sponsorship or similar promotional consideration for one (1) or more races shall be in this state in the amount received, multiplied by the following fraction:
 - (A) The numerator of the fraction is the number of racing events for which sponsorship or similar promotional consideration has been paid in a taxable year and that occur in

Indiana.

(B) The denominator of the fraction is the total number of racing events for which sponsorship or similar promotional consideration has been paid in a taxable year.

(3) Any amounts earned as an incentive for placement or participation in one (1) or more races and that are not covered under subdivisions (1) or (2) or under IC 6-3-2-3.2 shall be attributed to Indiana in the proportion of the races that occurred in Indiana.

This subsection, as enacted in 2013, is intended to be a clarification of the law and not a substantive change in the law.

(t) Sales of a broadcaster that arise from or relate to the broadcast or other distribution of film programming or radio programming by any means are in this state if the commercial domicile of the broadcaster's customer is in this state. Sales to which this subsection applies include income from advertising and licensing income from distributing film programming or radio programming. For purposes of this subsection, the following definitions apply:

(1) "Broadcaster" means a taxpayer that is a television or radio station licensed by the Federal Communications Commission, a television or radio broadcast network, a cable program network, or a television distribution company. The term "broadcaster" does not include a cable service provider or a direct broadcast satellite system.

(2) "Commercial domicile" has the meaning set forth in IC 6-3-1-22.

(3) "Customer" means a person, corporation, partnership, limited liability company, or other entity, such as an advertiser or licensee, that has a direct connection or contractual relationship with the broadcaster under which revenue is derived by the broadcaster. The term "customer" does not include an advertising agency placing advertising on behalf of its client. The client of such an advertising agency is the customer.

(4) "Film programming" means one (1) or more performances, events, or productions (or segments of performances, events, or productions) intended to be distributed for visual and auditory perception, including but not limited to news, entertainment, sporting events, plays, stories, or other literary, commercial, educational, or artistic works.

(5) "Radio programming" means one (1) or more performances, events, or productions (or segments of performances, events, or productions) intended to be distributed for auditory perception, including but not limited to news, entertainment, sporting events, plays, stories, or other literary, commercial, educational, or artistic works."

whichever is least.

(b) A tax credit shall be allowed under this chapter only for the taxable year of the taxpayer during which:

- (1) the investment in qualified property is made in accordance with Section 38 of the Internal Revenue Code; or
- (2) the wages are paid to inmates;

as part of an agreement.

(c) A tax credit shall not be allowed under this chapter for a taxable year beginning after 2019.

Sec. 3. (a) A taxpayer is liable for a recapture tax if qualified

property is converted to any use, other than the use contemplated in the agreement, within three (3) years after the end of the taxable year in which a tax credit was allowed for investment in that qualified property. The recapture tax equals:
