  - g. Shall successfully complete a faculty and administrator safety training and emergency response program in addition to the requirements under subsection 3;
  - h. Must be approved by the school board or governing board to carry a firearm concealed on school property; and
  - i. Shall possess a valid class 1 concealed weapons license from this state.
5. An individual selected to become a first armed responder at a school participating in the pilot program shall agree to cooperate in training with local law enforcement for school emergencies to provide a coordinated response to building lockdown and active killer events. The individual shall attend annual training and recertification courses consisting of a minimum of ten hours of instruction and a skills evaluation assessment. A firearm carried by an authorized individual on school premises must remain concealed and under the direct control of the certified individual. The school board or governing board of any school participating in the program shall inform local law enforcement, in writing, of the name of the individual authorized by the school to participate in the program.
6. An individual selected as a first armed responder may not carry a firearm concealed or a dangerous weapon on school premises unless:
- a. The individual has been approved by the school board or governing body under subsection 4;
  - b. The individual has completed the first armed responder curriculum requirements under subsections 3 and 4; and
  - c. The individual completes the first armed responder recertification course requirements every twelve months.
7. The school board or governing board shall approve a post-traumatic stress disorder treatment program for armed first responders.
8. The school board or governing board may withdraw a school from participation in the program at anytime.
9. A school participating in the program shall provide program evaluation data to the superintendent of public instruction at the time and in the manner

requested by the superintendent of public instruction. The superintendent of public instruction shall provide periodic reports to the legislative management regarding the implementation and progress of the pilot program by the participating schools.
