25 unless a domestic violence offender treatment program is not reasonably available to the  
26 defendant and the court makes findings for the record explaining why an order to complete a  
27 domestic violence offender treatment program would be inappropriate.

28                   **SECTION 6. AMENDMENT.** Section 12.1-32-07 of the North Dakota Century Code is  
29 amended and reenacted as follows:

1       **12.1-32-07. Supervision of probationer - Conditions of probation - Revocation.**

- 2       1. When the court imposes probation upon conviction for a felony offense subject to  
3       section 12.1-32-09.1 or 12.1-32-02.1, a second or subsequent violation of section  
4       12.1-17-07.1, a second or subsequent violation of any domestic violence protection  
5       order, a violation of chapter 12.1-41, a violation of section 14-09-22, or a felony  
6       offense under chapter 39-08, the court shall place the defendant under the supervision  
7       and management of the department of corrections and rehabilitation. When the court  
8       imposes probation upon conviction or order of disposition in all other felony cases, the  
9       court may place the defendant under the supervision and management of the  
10      department of corrections and rehabilitation. In class A misdemeanor cases, the court  
11      may place the defendant under the supervision and management of the department of  
12      corrections and rehabilitation or other responsible party. In all other cases, the court  
13      may place the defendant under the supervision and management of a community  
14      corrections program other than the department of corrections and rehabilitation. A  
15      community corrections program means a program for the supervision of a defendant,  
16      including monitoring and enforcement of terms and conditions of probation set by the  
17      court.
- 18      2. The conditions of probation must be such as the court in its discretion deems  
19      reasonably necessary to ensure that the defendant will lead a law-abiding life or to  
20      assist the defendant to do so. The court shall provide as an explicit condition of every  
21      probation that the defendant not commit another offense during the period for which  
22      the probation remains subject to revocation. The court shall order supervision costs  
23      and fees of not less than fifty-five dollars per month unless the court makes a specific  
24      finding on record that the imposition of fees will result in an undue hardship. If the  
25      offender has not paid the full amount of supervision fees and costs before completion  
26      or termination of probation, the court may issue an order, after opportunity for hearing,  
27      to determine the amount of supervision fees and costs that are unpaid. The order may  
28      be filed, transcribed, and enforced by the department of corrections and rehabilitation  
29      in the same manner as civil judgments rendered by a district court of this state.
- 30      3. The court shall provide as an explicit condition of every probation that the defendant  
31      may not possess a firearm, destructive device, or other dangerous weapon while the

1 defendant is on probation. Except when the offense is a misdemeanor offense under  
2 section 12.1-17-01, 12.1-17-01.1, 12.1-17-01.2, 12.1-17-05, or 12.1-17-07.1, or  
3 chapter 14-07.1, the court may waive this condition of probation if the defendant has  
4 pled guilty to, or has been found guilty of, a misdemeanor or infraction offense, the  
5 misdemeanor or infraction is the defendant's first offense, and the court has made a  
6 specific finding on the record before imposition of a sentence or a probation that there  
7 is good cause to waive the condition. The court may not waive this condition of  
8 probation if the court places the defendant under the supervision and management of  
9 the department of corrections and rehabilitation. The court shall provide as an explicit  
10 condition of probation that the defendant may not willfully defraud a urine test  
11 administered as a condition of probation. Unless waived on the record by the court,  
12 the court shall also provide as a condition of probation that the defendant undergo  
13 various agreed-to community constraints and conditions as intermediate measures of  
14 the department of corrections and rehabilitation to avoid revocation, which may  
15 include:

- 16 a. Community service;
- 17 b. Day reporting;
- 18 c. Curfew;
- 19 d. Home confinement;
- 20 e. House arrest;
- 21 f. Electronic monitoring;
- 22 g. Residential halfway house;
- 23 h. Intensive supervision program;
- 24 i. Up to five nonsuccessive periods of incarceration during any twelve-month  
25 period, each of which may not exceed forty-eight consecutive hours;
- 26 j. Participation in the twenty-four seven sobriety program; or
- 27 k. One period of incarceration during a period of probation not to exceed thirty  
28 consecutive days in lieu of a petition for revocation of probation.

- 29 4. When imposing a sentence to probation, probation in conjunction with imprisonment,  
30 or probation in conjunction with suspended execution or deferred imposition of

- 1 sentence, the court may impose such conditions as it deems appropriate and may  
2 include any one or more of the following:
- 3 a. Work faithfully at a suitable employment or faithfully pursue a course of study or  
4 of career and technical education training that will equip the defendant for  
5 suitable employment.
  - 6 b. Undergo available medical or psychiatric treatment and remain in a specified  
7 institution if required for that purpose.
  - 8 c. Attend or reside in a facility established for the instruction, recreation, or  
9 residence of persons on probation.
  - 10 d. Support the defendant's dependents and meet other family responsibilities.
  - 11 e. Make restitution or reparation to the victim of the defendant's conduct for the  
12 damage or injury which was sustained or perform other reasonable assigned  
13 work. When restitution, reparation, or assigned work is a condition of probation,  
14 the court shall proceed as provided in subsection 1 or 2, as applicable, of section  
15 12.1-32-08.
  - 16 f. Pay a fine imposed after consideration of the provisions of section 12.1-32-05.
  - 17 g. Refrain from excessive use of alcohol or any use of narcotics or of another  
18 dangerous or abusable drug without a prescription.
  - 19 h. Permit the probation officer to visit the defendant at reasonable times at the  
20 defendant's home or elsewhere.
  - 21 i. Remain within the jurisdiction of the court, unless granted permission to leave by  
22 the court or the probation officer.
  - 23 j. Answer all reasonable inquiries by the probation officer and promptly notify the  
24 probation officer of any change in address or employment.
  - 25 k. Report to a probation officer at reasonable times as directed by the court or the  
26 probation officer.
  - 27 l. Submit to a medical examination or other reasonable testing for the purpose of  
28 determining the defendant's use of narcotics, marijuana, or other controlled  
29 substance whenever required by a probation officer.
  - 30 m. Refrain from associating with known users or traffickers in narcotics, marijuana,  
31 or other controlled substances.

- 1           n.    Submit the defendant's person, place of residence, or vehicle to search and  
2                    seizure by a probation officer at any time of the day or night, with or without a  
3                    search warrant.
- 4           o.    Serve a term of imprisonment of up to one-half of the maximum term authorized  
5                    for the offense of which the defendant was convicted.
- 6           p.    Reimburse the costs and expenses determined necessary for the defendant's  
7                    adequate defense when counsel is appointed or provided at public expense for  
8                    the defendant. When reimbursement of indigent defense costs and expenses is  
9                    imposed as a condition of probation, the court shall proceed as provided in  
10                  subsection 4 of section 12.1-32-08.
- 11          q.    Provide community service for the number of hours designated by the court.
- 12          r.    Refrain from any subscription to, access to, or use of the internet.
- 13    5.    When the court imposes a sentence to probation, probation in conjunction with  
14           imprisonment, or probation in conjunction with suspended execution or deferred  
15           imposition of sentence, the defendant must be given a certificate explicitly setting forth  
16           the conditions on which the defendant is being released.
- 17    6.    The court, upon notice to the probationer and with good cause, may modify or enlarge  
18           the conditions of probation at any time prior to the expiration or termination of the  
19           period for which the probation remains conditional. If the defendant violates a  
20           condition of probation at any time before the expiration or termination of the period, the  
21           court may continue the defendant on the existing probation, with or without modifying  
22           or enlarging the conditions, or may revoke the probation and impose any other  
23           sentence that was available under section 12.1-32-02 or 12.1-32-09 at the time of  
24           initial sentencing or deferment. In the case of suspended execution of sentence, the  
25           court may revoke the probation and cause the defendant to suffer the penalty of the  
26           sentence previously imposed upon the defendant.
- 27    7.    The court may continue or modify probation conditions or revoke probation for a  
28           violation of probation conditions occurring before the expiration or termination of the  
29           period of probation notwithstanding that the order of the court is imposed after the  
30           expiration or termination has occurred. The petition for revocation must be issued  
31           within sixty days of the expiration or termination of probation.

1           8.    Jurisdiction over a probationer may be transferred from the court that imposed the  
2                    sentence to another court of this state with the concurrence of both courts. Retransfers  
3                    of jurisdiction may also occur in the same manner. The court to which jurisdiction has  
4                    been transferred under this subsection may exercise all powers permissible under this  
5                    chapter over the defendant.

6           9.    Notwithstanding any other provision of law, the court may authorize the defendant to  
7                    assist law enforcement officers in an investigation of a criminal offense upon the terms  
8                    and conditions as the court may require by written order. The court shall hold a  
9                    hearing in camera before issuing an order under this subsection. The order must be  
10                  sealed and is subject to inspection only upon order of the court.
