A BILL FOR AN ACT

1
2 Relating to firearm safety requirements; and declaring an emergency.

3 Whereas on December 11, 2012, 54-year-old Cindy Ann Yuille and 45-year-old Steven Forsyth
4 were shot and killed in the Clackamas Town Center with a stolen AR-15 style assault weapon; and

5 Whereas the assault rifle used to kill Cindy Ann Yuille and Steven Forsyth had been stolen after
6 being left unsecured with a fully loaded 30 round ammunition magazine by its lawful owner; and

7 Whereas the lawful owner of the assault rifle failed to report the weapon stolen to any law
8 enforcement agency upon discovering the theft of the weapon; and

9 Whereas the lawful owner of the weapon used in the Clackamas Town Center shooting had no
10 legal obligation under Oregon law to safely secure the firearm or to report the theft of the weapon;
11 and

12 Whereas on average 10 children under the age of 18 commit suicide in Oregon each year with
13 firearms that were not safely stored and secured to prevent child access; and

14 Whereas Oregon has a per capita suicide rate above the national average; and

15 Whereas the percentage of suicides that are firearm suicides in Oregon is also above the na-
16 tional average; and

17 Whereas a proven barrier to the impulse to commit suicide is securing firearms with a lock or
18 storing firearms in locked containers; and

19 Whereas there are a number of children who are injured in Oregon each year with firearms that

NOTE: Matter in **boldfaced** type in an amended section is new; matter [*italic and bracketed*] is existing law to be omitted. New sections are in **boldfaced** type.

1 were not safely stored and secured to prevent child access; and

2 Whereas the lack of a safe storage law in Oregon contributed to more than 22,000 firearms being
3 lost or stolen in Oregon over the past 10 years; and

4 Whereas two-thirds of all school shootings in the United States from 1974 through 2000 involved
5 weapons taken by the attackers from their home or from the home of a relative, and many of these
6 shootings would have been prevented if the firearms used had been secured and safely stored; and

7 Whereas simple common-sense actions including safely storing and transferring firearms,
8 promptly reporting to law enforcement officials the loss or theft of firearms and supervising children
9 when they use firearms would prevent many deaths and injuries in Oregon; and

10 Whereas the Cindy Yuille and Steve Forsyth Act can be effective in significantly reducing gun
11 violence and suicide in Oregon without imposing criminal penalties; and

12 Whereas everyone has the right to be free from gun violence; now, therefore,
