## IN THE HOUSE OF REPRESENTATIVES

FEBRUARY 4, 2015

Mr. KATKO (for himself, Miss RICE of New York, Mr. McCAUL, Mr. THOMPSON of Mississippi, and Mr. SANFORD) introduced the following bill; which was referred to the Committee on Homeland Security

---

## A BILL

To require the Transportation Security Administration to conform to existing Federal law and regulations regarding criminal investigator positions, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “TSA Office of Inspec-  
5 tion Accountability Act of 2015”.

6 **SEC. 2. FINDINGS.**

7 Congress makes the following findings:

1           (1) Consistent with Federal law and regula-  
2           tions, for law enforcement officers to qualify for pre-  
3           mium pay as criminal investigators, the officers  
4           must, in general, spend on average at least 50 per-  
5           cent of their time investigating, apprehending, or de-  
6           taining individuals suspected or convicted of offenses  
7           against the criminal laws of the United States.

8           (2) According to the Inspector General of the  
9           Department of Homeland Security (DHS IG), the  
10          Transportation Security Administration (TSA) does  
11          not ensure that its cadre of criminal investigators in  
12          the Office of Inspection are meeting this require-  
13          ment, even though they are considered law enforce-  
14          ment officers under TSA policy and receive premium  
15          pay.

16          (3) Instead, TSA criminal investigators in the  
17          Office of Inspection primarily monitor the results of  
18          criminal investigations conducted by other agencies,  
19          investigate administrative cases of TSA employee  
20          misconduct, and carry out inspections, covert tests,  
21          and internal reviews, which the DHS IG asserts  
22          could be performed by employees other than criminal  
23          investigators at a lower cost.

24          (4) The premium pay and other benefits af-  
25          forded to TSA criminal investigators in the Office of

1 Inspection who are incorrectly classified as such will  
2 cost the taxpayer as much as \$17,000,000 over 5  
3 years if TSA fails to make any changes to the num-  
4 ber of criminal investigators in the Office of Inspec-  
5 tion, according to the DHS IG.

6 (5) This may be a conservative estimate, as it  
7 accounts for the cost of Law Enforcement Avail-  
8 ability Pay, but not the costs of law enforcement  
9 training, statutory early retirement benefits, police  
10 vehicles, and weapons.

21 criminal investigative duties.
